

Carvoeiro CdT Adult and Junior Masters

Circuit Rules:

There will be a total of **six tournaments** in which the players will earn points, which will be added up after the 6th tournament in order to find the eight highest ranked players for the **Masters tournament** (the 7th and last tournament of the Circuit).

Each tournament is a separate event, in which a Main Draw is played and a Consolation Draw for the losers of the first round of the Main Draw. So each player gets to play at least 2 matches.

Matches are played as follows: **One set, with Golden point (sudden death) at Deuce and tie-break at 6-6.** Each tournament will have prizes for the winner and runner-up and also for the winner and runner-up of the consolation draw. Prizes for the Masters tournament will be special...
